Apprenticeships & Traineeships - Information for Employers

The Academy is an industry focused Registered Training Organisation (RTO) that offers nationally accredited qualifications through Apprenticeships and Traineeships. Apprenticeships/Traineeships are flexible employment-based training programs that combine work and structured training. Apprenticeships/Traineeships provide training and assessment for practical and theoretical skills that enable staff to gain nationally recognised qualifications as well as the experience to meet industry standards.

Apprenticeships/Traineeships will help you:

- meet your company's skill demands
- ensure the quality of your workforce
- increase productivity
- reduce staff turnover
- improve safe working practices

Government training incentives may be available per eligible employee.

This will ultimately lead to increased profits for your organisation which can be used for:

- the support of further training,
- funding of staff during participant training,
- incentivising staff to complete training
